Veterinary Certificate

This is to certify that a ChowChow dog, ID marked by chip # 752 098 100 550 192, registered with the Swedish Kennel Club by # SE40317/2011 and called Long Feng Captain Jack Sparrow, was examined at the Eye Clinic of the Referral Animal Hospital Strömsholm, Strömsholm, Sweden, on Wednesday 20th of February 2013.

At this examination, no signs of entropion were detected. Tear production as determined by Schirmer Tear Test was normal at 22 mm of wetting per 60 seconds in both eyes. Fluorescein dye staining revealed no corneal abnormalities. No abnormal eyelashes (distichiasis, ectopic cilia) were seen.

This certificate was requested by the owner of the above mentioned dog, Mrs Lene Hedengran.

Two identical copies of this certificate have been issued.
